

MEET & GREET IN HOME SERVICES

Thank you for your interest and the opportunity to meet you and your furry family! To start the Meet and Greet process, please contact us at sadiepetservice@gmail.com or phone 774-633-0420 for your free first initial consultation appointment. At this visit, we will complete necessary forms, get detailed instructions and answer questions. Most important, we meet and get to know your pets and their needs.

During the In-Home Consultation:

- Please plan for about 60 minutes, depending on how many pets you have and the level of detail for their care.
- We will get acquainted with you & your pet(s).
- Together we will design a pet care plan to meet your pet's needs. We will become familiar with the location of various items needed while caring for your pet(s) (i.e. Leash, trash cans, medicine, etc).
- We will have you register in our Time to Pet Software, review and sign required documents: application, medical release, policies & procedures, and agreement.

Additional Consultations:

First meet and greet is free. If more than one consultation is needed there will be an additional fee(s). \$10.00 for each consultation
